The summer shutdown begins on July 1. Therefore, there will not be any newsletters until the Wednesday, July 31. This newsletter will be a reminder that services will resume on Sunday, August 4. If you would like to share any photos of your summer holidays in the July 31st edition, please forward them to: [office@midhurstunitedchurch.ca](mailto:office@midhurstunitedchurch.ca) We look forward to seeing your pictures and hearing your stories. # Important Facility Information!

## Front Entrance Repair

On June 24th, it cost MUC  
**\$532** to fix  
the automatic door opener  
at the front entrance.

**PLEASE !!!**

**Do NOT PROP THIS (or any)  
AUTOMATIC DOOR OPEN.**

## Our New Refrigerator

You may have noticed that we have a new refrigerator in the Church kitchen. Sometimes it is not needed for a week or two and it makes sense to turn it off. If you wish to turn it off, rather than unplug it, **please use the red POWER switch on the front at the top right**. Most importantly, **if it is turned off, the door MUST be blocked open**, or mold may develop inside the fridge. There is a small block of wood there to be used for this purpose. Thanks for your cooperation.

## Fifth Sunday Special Service

Just a reminder that our final service before the summer shutdown will be held outdoors

(weather permitting.) Please bring a lawn chair and your singing voice! We will celebrate God with the sound of music. There will be summer treats to enjoy throughout the service. We will also be talking about our favourite summer memories and plans for this year! It is sure to be a lot of fun!
